The 10th annual City of New Orleans and Greater New Orleans Pest Control Association Pest Control Academy will be held in New Orleans October 9-11, 2018. This three day Academy will offer comprehensive and in-depth information in all areas of urban pest management. The Academy will place emphasis on field training and insect identification. In order to provide hands-on training, the class size is limited to 30 registrants. The Academy will be beneficial for experienced pest control professionals as well as newcomers to the industry.

Academy Topics Include:

- Insect anatomy and biology
- Termites
- Ants and ant control
- Bedbugs
- Spiders
- Rodent biology and control
- Integrated pest management
- Pest exclusion and pest-proofing
- The label
- Insect and rodent identification
- Rules and regulations
- Inspect a commercial kitchen
- Mosquito biology and control
- Stored product pests
- Occasional invaders
